

Happy New Year!

It is with great pleasure that I wish all MOPH Patriots and their families a Happy New Year. May the coming year be full of happiness and success in all that you do. As the year 2014 draws to a close, my first thought is - where did the last 365 days go? For me personally, it has been a fast but incredible year. I am honored to have been elected as your National Commander and given the responsibility of leading our beloved Order. Obviously, no one person can possibly oversee all the disparate programs and endeavors of so large an organization and I am likewise grateful for the advice and assistance of all the elected and appointed officers that make up the national leadership of the MOPH. I also want to send my special thanks and appreciation to the Departments and Chapters that really make our Order the unique and successful organization that we are. Finally, a special salute to our National Service Officers, for they are the ones whose "boots meet the ground," making our National Service Program second to none in the service of veterans and their families.

Each New Year provides us with the opportunity to make a new beginning. I encourage you to join me in a resolution to make 2015 one of

the most successful ever as we renew our commitment to each other and to the goals and objectives of the Military Order of the Purple Heart.

And, oh yes, see you next year!
Pat Little, National Commander
