Subject: National Notary Association Offers Free Notary Training For U.S. Veterans

The National Notary Association (NNA) is offering veterans a full day of complimentary Notary Public training on June 2nd to help them find a new way to serve the country. By answering the consumer protection call of duty, veterans will learn how Notaries help prevent fraud and financial elder abuse.

Training will occur during our 36th annual conference in Phoenix, AZ and is open to veterans nationwide.

We respectfully request your help spreading the word to veterans via email and by posting the attached flyer on event boards in your area. If this is not something you deal with, any help you may provide in pointing me in the right direction would be greatly appreciated.

The National Notary Association Offers Free Notary Training For U.S. Veterans At NNA 2014 Conference In Phoenix

Vocational Training Will Help Unemployed Veterans Enter The Workforce And Answer The 'Consumer Protection' Call Of Duty

WHO: To support our troops as they face the difficult task of establishing civilian career paths, the National Notary Association (NNA) is offering complimentary Notary training — fully funded by the NNA's philanthropic arm, the National Notary Foundation — to veterans during the NNA 2014 Conference.

WHAT: Veterans will have complimentary access to a variety of workshops that demonstrate how serving the country as a Notary Public is an important role for consumer protection. Training includes Notary basics, preventing financial exploitation of the elderly, current trends for electronic notarizations, how to find work as a Notary and Notary Signing Agent training for mortgage loan signings. In addition to educational workshops, veterans will have the opportunity to build business relationships at exclusive networking events. The full conference agenda is available at NationalNotary.org/Conference.

WHY: By becoming a Notary Public, or by improving their Notary skills, veterans will gain valuable vocational training for their resume as they apply for work in corporate America. Notaries serve an essential consumer protection role in many industries, including real estate finance, healthcare, and the legal profession to name a few. Veterans with an entrepreneurial spirit can also become small business owners as a mobile Notary or a full-time Notary Signing Agent.

WHEN: Monday, June 2, 2014

Continental breakfast opens at 7:30 a.m.

Program begins at 8:30 a.m. – 7:00 p.m.

Seating is limited so Veterans are encouraged to register early through the NNA 2014 Conference website, directly through etouches.com/NNA2014 or email questions about the program to our customer service team atVeterans@NationalNotary.org.

WHERE: The National Notary Association's 36th Annual Conference
Hyatt Regency Phoenix
